

# THE WINE CELLAR INSIDER

## 2020 Château Larcis Ducasse (St. Émilion Grand Cru)

Pungent aromas of flowers, licorice, crushed rocks, oak, dark cocoa, black, red and blue fruits focus your attention. The wine offers a mineral-driven, full-bodied blast of silky, flamboyant, luscious red fruits with salty tannins. The fruit coats your palate, lingers and seamlessly expands, finishing with licorice, sensuously textured red and black fruits, espresso and oyster shell. This is on the way to developing into one of the best vintages ever produced by Larcis Ducasse. 98-100
