

CHÂTEAU LARCIS DUCASSE ST. - EMILION 2019

Baked-plum aromas., together with candied spices, earth, tobacco and light coffee, following through to a full body with firm yet polished tannins and a fresh, vivid finish. It really builds and shows loads of structure and intensity. Give it time to soften slightly, but the flavors and texture are already balanced and sophisticated. Classic style to this. The palate really builds. Try after 2026.
